### HEROES HELPING HUMANITY

HHH is a 501(c)3 nonprofit organization founded by 9/11 hero, Jason Thomas. A New York native, Jason was one of two men responsible for rescuing the last two survivors from the World Trade Center wreckage.

Jason moved to Columbus, Ohio, giving us our own hometown hero who strives to make a difference by giving back to our military men and women, as well as to underprivileged students.

Join Jason by becoming one of the HEROES HELPING HUMANITY. You can make a difference.
